

**SAMARK PENTECOST RETREAT  
WITH WALI & ARIËNNE  
MAY 18 - 21, 2018**

**USE US FOR THE PURPOSE  
THAT THY WISDOM CHOOSES**

*From Friday evening meal  
till Monday lunch*

As in previous years, we dedicate the Pentecost Retreat to a line of one of the prayers of the Sufi mystic Hazrat Inayat Khan who, in 1910, brought his message of Love, Harmony and Beauty to the West and westernized it.

These lines from Saum can help us to find sense and purpose in our life and through this, our direction so we learn how to travel 'toward the One'. For, as Murshid SAM tells us, our health and our happiness depend on this.

Through practices and the Dances of Universal Peace we may incorporate the experiences of the retreat in order to later use them in our everyday life.

The Retreat starts with the evening meal on Friday and ends on Monday after lunch and is open to all, with or without background in Sufism, Inayat Khan or the dances of Universal Peace and serves as an introduction or deepening of the spiritual path.

Wali & Ariënne live at Khankah Samark and open their house regularly for visitors who want to participate in the activities, aimed at developing and deepening the inner self. The ingredients for this are the Dances of Universal Peace, Sufi morning practices, storytelling, sharing and the like. The countryside of Khankah Samark offers great opportunities for walks in nature. Participants will receive a letter with itinerary, list of participants and other information about one week before the event.

Costs for the Pentecost Retreat are € 350 all-in (€ 400 for on-person bedroom).

There are some reduced tickets of € 280,= available. Your registration is definite by wiring or mailing € 50,= (€ 100 for a one-person bedroom) to:
